## **MEDICOLEGAL NOTES AND FEES**

I am willing to provide either a short letter or a report on liability and causation alone from a review of the medical records but condition and prognosis usually requires an examination of the claimant. I am pleased to receive copy records on disc, stick or via the internet.

I am able to see clients urgently if necessary and I am able travel to see clients locally.

**I am willing to wait for payment but will add 8% annual interest from one year onwards.**

### **All fees are plus VAT**
